

Name _____

Trust Trouble

Short Answer Key

1. The siblings feel uneasy because the Cat creates chaos and doesn't seem to care about the mess, making them worry about the consequences.
2. The Fish warns the siblings by reminding them of their mother's rules and telling them the Cat's behavior is unacceptable.
3. Thing 1 and Thing 2 show how misplaced trust can lead to problems, as their antics cause the house to spiral into chaos.
4. The Cat's cleanup suggests that while he enjoys mischief, he has a sense of responsibility and wants to fix his mistakes.
5. The siblings might think more carefully about who they trust in the future and consider the consequences of their decisions.
