

Name _____

Trust Trouble

Open-Ended Response Answer Key

1. Acceptable answers might include: "Yes, because the Cat brought fun to their day," or "No, because the Cat's behavior caused too many problems."
2. Responses could include: "I would have asked the Cat to leave sooner," or "I would have made sure the Cat didn't bring in Thing 1 and Thing 2."
3. Answers might include: "The Fish represents reason because he reminds the siblings to think about the rules and their mother's expectations."
4. Responses could include: "The story shows that trust is important, but it's also important to make sure the person you trust is responsible and respectful."
