Unmasking the Bully: Exploring the Different Types of Bullying

Open-Ended Response Questions

1. Share a personal experience or observation of a bullying incident. Describe the type of bullying involved and its impact on the victim and any bystanders. Discuss possible ways to address the situation effectively.
2. Imagine you are a school counselor tasked with creating an anti-bullying program. Describe the strategies and activities you would implement to educate students about the different types of bullying and promote a safe and inclusive school environment.
3. Reflect on the importance of raising awareness about the various forms of bullying, including those related to race, sexual orientation, and disabilities. How can increased awareness contribute to a more inclusive society?
4. In your opinion, which type of bullying do you think is the most harmful, and why? Explain your reasoning and provide examples to support your view.
