Name _____

The Spectacular Underwater Adventure

Open-Ended Response Questions

1. If you could go on an underwater adventure like the kids in the story, what underwater creature would you most like to see, and why?

2. How do you think Captain Sara became an experienced underwater explorer, and what qualities do you think are important for such an explorer to have?

3. Imagine you were one of the kids on this adventure. Write a short journal entry describing your favorite moment and what you learned about the underwater world.
