## Underwater Treasures

### Short Answer Key

1. The symbol was waves and a trident, and it was significant to Emma because it was associated with Atlantis, a subject she had been fascinated with.
2. They used driftwood, stones, and seaweed to create a secret hiding place for the Atlantis artifacts.
3. Jake picked up one of the scrolls to examine it and hoped to learn more about the ancient script and its meaning.
4. The friends made a pact to keep the secret of Atlantis among themselves until they were older and wiser.
5. Their feelings may vary, but they are committed to preserving the treasures of Atlantis and plan to ensure that it's never forgotten in the future.
