## Unfair Wages

### Short Answer Key

1. They traveled to California because they had lost their land and hoped to find jobs.
2. Farm owners hired too many workers, paid them very little, and made them buy food at high prices.
3. Workers could only use scrip at farm stores, where prices were unfairly high, keeping them poor.
4. He believed they should join together to demand fair wages and better treatment.
5. Steinbeck shows that when businesses only care about profit, workers can suffer unfair treatment.
