## Dressing Alike: Should School Uniforms Be Mandatory?

### Open-Ended Response Questions

1. Share your personal opinion about school uniforms. Do you believe they should be mandatory or optional? Why or why not?
2. Discuss the potential drawbacks or challenges of implementing mandatory school uniforms and propose solutions to address them.
3. Imagine you are a school principal, and you must make a decision about whether to implement mandatory school uniforms. Explain the factors you would consider and your ultimate decision, along with the reasons behind it.
4. Reflect on the role of personal expression in schools and how uniforms might impact students' ability to express themselves. Consider both positive and negative aspects.
