

Name _____

The Case Against School Uniforms: Let Kids Be Kids!

Open-Ended Response Questions

1. How might requiring school uniforms affect a student's sense of individuality and self-expression, and why is this important?
2. Explain the financial challenges that some parents may face when it comes to purchasing and maintaining school uniforms for their children, as discussed in the passage.
3. Why is it argued in the passage that school uniforms may not adequately prepare students for the real world? Provide specific examples to support your answer.
4. In your own words, describe the alternative approach mentioned in the passage for addressing the issue of bullying in schools.
