The History of the United Kingdom

Open-Ended Response Answer Key

1. Students should discuss how Roman roads helped develop cities, how the Normans changed laws and language, and how the Industrial Revolution brought about modern industry and urbanization.
2. Students should choose a period, such as the Tudor era or World War II, and explain why it stands out, using examples from the passage.
3. Students might discuss how the UK rebuilt cities, supported soldiers, and passed new laws to prevent future conflicts.
4. Students can reflect on how without Roman infrastructure, England might have developed more slowly, or how the Industrial Revolution's absence could have delayed technological advancements.
