

Name _____

Climate and Weather in the United Kingdom

Short Answer Key

1. The weather can change quickly, so layering clothes helps people stay comfortable.
2. Many people keep muddy boots near the door to avoid tracking dirt inside.
3. Rain helps crops grow and pastures stay healthy.
4. When the sun appears, people head outside to enjoy the warmth and light.
5. Reading a book by the fire and having tea and biscuits are two common indoor activities.
