Climate and Weather in the United Kingdom

Open-Ended Response Answer Key

1. Students might say that talking about the weather is a way to start conversations, since it's a shared experience everyone can relate to.
2. Students could explain how mild temperatures and regular rain create ideal growing conditions for plants and provide water for animals.
3. Possible answers might include carrying an umbrella, wearing waterproof shoes, or checking the weather forecast regularly.
4. Some students may suggest that the steady, cool weather makes outdoor activities more comfortable, or that the greenery is worth the rain.
