

Name _____

The United Nations: Guardians of Human Rights Worldwide

Open-Ended Response Questions

1. Discuss one real-world human rights issue that the United Nations has been involved in. Explain what actions the UN took and the impact of its involvement on the situation.
2. Do you think the United Nations is effective in promoting and protecting human rights worldwide? Why or why not? Provide reasons to support your opinion.
3. Imagine a world without the United Nations. How might this impact the protection of human rights globally? Discuss the potential consequences.
4. In your own words, explain the importance of education and advocacy in promoting and protecting human rights, as carried out by the United Nations. Provide examples to illustrate your points.
