

Name _____

The Major Political Parties in the United States

Open-Ended Response Answer Key

1. The role of third parties in U.S. elections and politics can be discussed in terms of their challenges in gaining significant traction, their impact on specific issues, and their potential to influence major party platforms.
2. A comparison of economic and social policy priorities should include discussions of healthcare, taxes, government regulation, civil rights, and foreign policy.
3. The significance of party symbols can be analyzed in terms of how they contribute to party identities and help convey messages to voters.
4. The impact of grassroots efforts and campaign strategies can be explored by examining their role in mobilizing voters, fundraising, and shaping election outcomes.
