

Name _____

The Reversed Universe Portal

Open-Ended Response Questions

1. Explore the theme of teamwork and problem-solving in the story. How did the kids work together to decipher clues, solve reverse puzzles, and navigate the challenges of the reversed universe? What can we learn from their cooperative efforts?
2. Put yourself in the shoes of one of the kids during their adventure in the reversed universe. Describe your reactions to the bizarre and reversed aspects of this parallel world. How would you contribute to the group's success in solving puzzles and finding the portal?
3. Discuss the concept of a parallel universe where everything is reversed. What imaginative elements and creative details make this concept intriguing and captivating for readers? How does it add to the sense of adventure in the story?
4. Imagine an alternate ending where the kids decide to stay in the reversed universe. What challenges and opportunities might they face, and how would their lives change? What lessons could they learn from living in such a unique world?
