

Name _____

Unsupervised Chaos

Short Answer Key

1. The Cat shows the siblings that rules can be bent for fun, but they also learn that too much chaos has consequences.
2. The Fish warns the siblings because he knows their mother would be upset if she came home to a messy, chaotic house.
3. Thing 1 and Thing 2 create chaos by flying kites indoors and knocking over furniture, making the situation worse.
4. The Cat's decision to clean up shows that even if you create a mess, you can take responsibility for fixing it.
5. The siblings' reaction shows how they learn to manage their feelings about fun, rules, and taking responsibility for their choices.
