## Unveiling Myself

### Short Answer Key

1. The speaker mentions wearing masks of different shades to represent the different personas they have adopted to hide their true self.
2. The jester's cap is mentioned to symbolize the playful and sometimes deceptive roles the speaker has played in life.
3. In moments of quiet when no one sees, the speaker reflects on their identity and seeks answers about themselves.
4. The speaker feels conflicted about the world's expectations regarding identity, as they want to break free from those expectations.
5. The poem conveys the idea of self-discovery as an ongoing journey by emphasizing that the speaker is still exploring and seeking answers.
