

Name _____

Unveiling Myself

Open-Ended Response Answer Key

1. The speaker's view of identity evolves from a sense of confusion and hiding to a desire for self-discovery and authenticity.
2. Answers may vary. Students may relate to the desire for self-discovery if they have ever felt the need to understand themselves better.
3. "A self unknown, a truth unsealed" suggests that the speaker has not fully understood or revealed their true self yet.
4. The speaker's journey of self-discovery might inspire others to embrace their uniqueness and explore their own identities, encouraging them to be true to themselves.
