## Green Spaces and Parks: Urban Havens for Fun and Health

### Open-Ended Response Questions

1. Describe a personal experience you've had in a green space or park and how it made you feel.
2. Imagine you are a city planner. Explain how you would incorporate green spaces and parks into the design of a new urban area to enhance the well-being of its residents.
3. Discuss the importance of educating people, especially children, about nature and conservation in green spaces and parks. Why is this education essential?
4. In your opinion, what is the most significant benefit of green spaces and parks in urban planning? Explain why you think this benefit is crucial.
