Keeping Our School Healthy: The Importance of Tobacco and Vape Use Policies

Open-Ended Response Questions

1. Discuss the potential risks and harmful effects associated with tobacco and vaping that school policies aim to address. Include information on nicotine addiction and respiratory problems.
2. Imagine you are a student representative advocating for the implementation of strong school policies on tobacco and vape use. What arguments and reasons would you present to convince your school administration of the importance of such policies?
3. Share your thoughts on the importance of collaborative efforts involving students, teachers, parents, and school administrators in maintaining a smoke-free school environment. How can each group contribute to this goal?
4. Reflect on the role of peer support in promoting a smoke-free school. How can students positively influence their peers to make healthy decisions regarding tobacco and vape use?
