## The Utopian Dilemma

### Open-Ended Response Answer Key

1. Students can compare the features of the utopian society in the story with other examples from literature or history, discussing similarities and differences.
2. The story suggests that the pursuit of a perfect society can come at the cost of individuality and personal freedom, highlighting the importance of autonomy and creativity.
3. Mia evolves from a conformist to someone who values personal freedom and individuality, symbolizing the awakening of the human spirit in the face of a stifling society.
4. Answers may vary, but students can consider the challenges and trade-offs involved in creating a utopian society, as well as the role of individuality and creativity in such a society.
