## The Vanishing Act

### Short Answer Key

1. Mia reciting the incantation from the spellbook resulted in Alex's disappearance.
2. The friends kept Alex's disappearance a secret because they were afraid of getting in trouble for their reckless experimentation.
3. The group was motivated to continue studying the spellbook and exploring the theater to uncover the truth about the magician's disappearance and find a way to bring Alex back.
4. The mysterious figure that began to shadow the group was not identified in the story.
5. Some of the challenges the friends faced included deciphering cryptic clues, outsmarting the enigmatic figure, and confronting their fears.
