## Skateboard Sleuths: The Mystery of the Vanishing Ramps

### Open-Ended Response Answer Key

1. The skateboarders likely felt worried and puzzled when they saw the ramps disappearing because the skatepark was their favorite place, and losing the ramps would mean losing a big part of their fun and community.
2. Answers may vary, but students might suggest that the raccoons were attracted to the skatepark because of the ramps' interesting shapes and surfaces, which made them appealing for climbing and playing.
3. The Skateboard Sleuths showed creativity by coming up with a plan to build a separate skatepark for the raccoons and teamwork by working together to solve the mystery. They also showed kindness by finding a solution that benefited both humans and raccoons.
4. The skateboarders might have learned the importance of problem-solving, creativity, and working together as a team to overcome challenges. They also learned that sometimes you can find solutions that benefit everyone involved.
