## The Mysterious Case of the Vanishing Stars

### Short Answer

1. Describe Luna's reaction when she noticed that the star Stella was dimming.
2. How did Luna prepare for her celestial quest to save the stars, and what did she discover during her research?
3. Who visited Luna in her dreams, and what information did this visitor provide about the vanishing stars?
4. What challenges did Luna face during her celestial journey, and why was it important for her to confront the Night Keeper?
5. How did Luna's adventure impact Celestia Valley, and what did it mean for her dream of becoming an astronomer?
