

Name _____

Viking Voyage: Raiders of the Ridiculous

Open-Ended Response Questions

1. Discuss the character of Erik the Bold and how his leadership style, including his penchant for dramatic speeches, contributed to the group's adventures and the humor in their exploits.
2. Explore the character of Olaf the Clumsy and his role in providing comic relief in the Viking group. How did his clumsiness affect the group's dynamics, and how did they view him as a loyal companion?
3. Reflect on the incident at the monastery where the Vikings put on a comedy show instead of raiding it. How did this unexpected turn of events showcase the Vikings' adaptability and sense of humor?
4. Consider the encounters the Vikings had with different cultures and traditions during their conquests. How did these interactions lead to comical misunderstandings, and what did the Vikings learn from these experiences?
