## Viking Voyage: Raiders of the Ridiculous

### Short Answer Key

1. Erik the Bold was the fearless Viking leader known for his dramatic speeches and commanding presence.
2. Olaf the Clumsy was a Viking warrior known for his tendency to trip over his own feet, providing comic relief in the group.
3. The Vikings ended up putting on a comedy show at the monastery because the monks had mistaken them for entertainers instead of raiders.
4. The Vikings encountered comical misunderstandings during their conquests, such as mistaking a wedding ceremony for a battle and misinterpreting local customs.
5. Laughter played a significant role in the Viking warriors' legacy by providing moments of levity and bonding, even during their most daring adventures.
