

Name _____

Viking Voyages and Legendary Sagas

Short Answer Key

1. Leif Erikson reached North America and called it Vinland.
2. Sagas are epic stories that tell of Viking adventures and heroes.
They are important because they provide insights into Viking life and their legendary feats.
3. Viking longships were designed for speed and navigation, making them well-suited for long voyages.
4. (Answers will vary) Possible answers include Europe and Asia.
5. (Answers will vary) Possible answers may include their contributions to geographical knowledge, trade, and cultural exchange.
