

Name _____

The Virtual Pet Dilemma

Short Answer Questions Answers

1. Timmy had to feed, play with, and clean up after Fluffy, his virtual pet.
2. Timmy faced a dilemma between taking care of Fluffy and going on an outdoor adventure with Jenny. He decided to ask his neighbor, Mrs. Jenkins, to look after Fluffy while he went on the treasure hunt with Jenny.
3. During the treasure hunt with Jenny, Timmy realized the joy of real-world adventures and friendships. He understood that they were more valuable than virtual experiences.
4. Timmy asked his neighbor, Mrs. Jenkins, to look after Fluffy while he went on the treasure hunt with Jenny.
5. Timmy learned that while virtual pets could be fun, real-life adventures and friendships were priceless. He realized the importance of balancing virtual experiences with genuine human connections.
