

Name _____

The Virtual Pet Dilemma

Open Ended Questions

1. Explore the theme of technology's impact on daily life as portrayed in the story. How did Timmy's obsession with Fluffy affect his relationships and responsibilities?
2. Discuss the concept of balance and the choices Timmy had to make between his virtual pet and his real-world friendships and experiences. How did his decisions reflect his priorities?
3. Reflect on the character development of Timmy throughout the story, focusing on his transformation from a virtual pet enthusiast to someone who values real-life adventures and connections. How did his experiences shape his growth?
4. Imagine an alternative ending to the story where Timmy chooses to prioritize his virtual pet over the treasure hunt. How would this decision affect his character and the story's message about real-life experiences?
