

Name _____

The Virtual Pet Dilemma

Open Ended Questions Answers

1. Students should discuss the impact of technology on daily life, using Timmy's experience with Fluffy as an example. They should explore how technology can affect relationships and responsibilities.
2. Students should analyze the concept of balance in Timmy's life and discuss his choices regarding virtual pet ownership and real-world experiences. They should provide insights into how his decisions reflected his priorities.
3. Students can reflect on Timmy's character development throughout the story and how his experiences transformed him from a virtual pet enthusiast to someone who values real-life adventures and connections. They should provide examples from the story to support their response.
4. Students can imagine an alternative ending to the story where Timmy chooses to prioritize his virtual pet over the treasure hunt. They should discuss how this decision would affect Timmy's character and the story's message about real-life experiences.
