## Exploring the Concerns of Allowing Teenagers to Vote in Government Elections

### Open-Ended Response Questions

1. In your opinion, should teenagers be allowed to vote in government elections? Why or why not? Consider the concerns mentioned in the passage.
2. How can schools and communities help teenagers become more informed and independent voters if they were granted the right to vote?
3. What strategies could be implemented to address the potential challenges and concerns of allowing teenagers to vote while still ensuring a fair and democratic process?
4. How might the concerns raised in the passage be balanced with the desire to include teenagers in the political decision-making process?
