

Name _____

Viking Voyages: Exploring New Horizons

Open-Ended Response Questions

1. How did the Vikings' exploration and settlement impact the regions they visited, both culturally and economically?
2. Compare and contrast the Viking settlements in Iceland and Greenland, considering their locations and ways of life.
3. What challenges did the Vikings face when sailing to distant lands, and how did they overcome these challenges?
4. Imagine you are a Viking explorer. Which of the regions mentioned in the passage would you have been most interested in visiting, and why?
