

Name _____

Unveiling the Mystery: Internet vs. World Wide Web

Short Answer

1. Explain the primary purpose of the Internet in your own words.
2. Who invented the World Wide Web, and why was it created?
3. Name one component that is part of the Internet but not part of the World Wide Web.
4. Provide an example of something you can do on the World Wide Web that is not related to sending emails or chatting with friends.
5. How would you explain the concept of the World Wide Web to someone who has never used the Internet before?
