

Name _____

Zoo-zles and Wacky Animals

Open-Ended Response Answer Key

1. Bob's lack of experience with zoos contributed to humorous situations by highlighting his ineptitude in handling the animals and their antics. His actions reveal that he is a well-intentioned but clueless character who is willing to adapt to new challenges.
2. Bob's decision to host a "Craziest Animal Talent Show" benefited the zoo by raising funds and attracting visitors. It demonstrated his ability to adapt to challenges by finding creative solutions and his determination to make the best out of unexpected situations.
3. The story teaches us that embracing unexpected challenges with a sense of humor can lead to positive outcomes. It highlights the importance of finding joy in difficult situations and not taking oneself too seriously.
4. Bob's relationship with the animals changed as he learned to appreciate their quirky personalities and let go of the idea of being in complete control. He found humor in their behavior and accepted that they were a vital part of the zoo's unique charm.
