

Name _____

Warning Signs and Attempts to Prevent the Boston Tea Party

Short Answer

1. Describe some of the warning signs that indicated growing unrest in the American colonies before the Boston Tea Party.
2. How did the American colonists respond to the new taxes imposed by the British government, and why were they dissatisfied with these taxes?
3. Explain the significance of the Boston Massacre in the context of events leading up to the Boston Tea Party.
4. What were the British government's attempts to address the tea issue, and why did these attempts not fully resolve the tensions?
5. Who was Governor Thomas Hutchinson, and what warning did he issue prior to the Boston Tea Party?
