

Name _____

Warren Buffett: The Oracle of Omaha

Open-Ended Response Answer Key

1. (Answers may vary; e.g., "Warren Buffett's investment philosophy, centered around value investing, involves buying undervalued stocks and holding them for the long term. This patient approach has allowed him to benefit from the long-term growth of companies like Coca-Cola and Apple.")
2. (Answers may vary; e.g., "Warren Buffett's commitment to philanthropy sets a powerful example for other billionaires. It has led to increased awareness of charitable giving among the wealthy and has resulted in substantial contributions to important causes, such as global health and education.")
3. (Answers may vary; e.g., "If I had the opportunity to seek advice from Warren Buffett about investing, I would ask him about his approach to evaluating the management teams of the companies he invests in. I believe that understanding how he assesses leadership would provide valuable insights into successful investing.")
4. (Answers may vary; e.g., "Ethics and integrity have been essential to Warren Buffett's success in business. These values have helped him build trust with investors and business partners, and they have contributed to his reputation as a reliable and ethical business leader.")
