## War's Legacy

### Short Answer Key

1. Because even though slavery ended, African Americans still faced discrimination and unfair treatment.
2. Schools, public spaces, government buildings, and museums.
3. The Civil War ended slavery, but African Americans still had to fight for equal rights later.
4. Some people see it as history, while others see it as a symbol of racism.
5. To learn from past mistakes and build a better future.
