## Waves of Skates

### Open-Ended Response Questions

1. How did the combination of inner thoughts and roller-skating create a unique and contemplative experience for the individuals in early 20th-century London?
2. In what ways did the roller rink's transformation into a Woolfian dreamscape immerse the audience in the world of Virginia Woolf's novels?
3. If you were one of the participants, which Woolfian character would you want to portray on roller-skates, and why?
4. How did the roller-skating performance reflect the themes of consciousness, identity, and the passage of time present in Virginia Woolf's works?
