## Weather Wizardry

### Open-Ended Response Questions

1. Imagine you are one of Sam's friends. How would you feel about having a friend with the power to control the weather? What fun activities would you want to do with them, and what challenges do you think might arise?
2. Sam learned valuable lessons about responsibility when it came to controlling the weather. Describe a time when you had to take responsibility for something important, and what you learned from that experience.
3. In the story, Sam's weather-controlling abilities brought joy and challenges to the community. If you were in Sam's shoes, how would you use these powers to benefit your town, and what challenges do you think you might face?
4. How do you think Sam's passion for weather and meteorology helped them become a responsible Weather Wizard? Why is it important to learn about the things you are passionate about?
