Name _____

What Are Human Rights, and Why Are They Important on an International Level?

Open-Ended Response Questions

1. Describe a situation in which someone's civil rights might be violated, and explain what actions could be taken to address this violation.

2. Imagine a world without human rights. How do you think it would impact the lives of children?

3. Do you believe that economic rights are equally important as civil and political rights? Why or why not?

4. Reflect on a recent global event where human rights were a topic of discussion. Explain the importance of human rights in that context.
