Name _____

What is a Museum?

Open-Ended Response Questions

1. Imagine you are visiting an art museum. Describe a famous painting you might see there and how it makes you feel.

2. Think about a historical museum. If you could visit any period in history, which one would it be, and why?

3. In what ways can museums contribute to a better understanding of different cultures? Provide specific examples.

4. Share a personal experience of a time when you visited a museum and were inspired to learn or create something new.
