## Volcanoes Unveiled: Where in the World Can You Find Them?

### Open-Ended Response Questions

1. If you were planning a trip to visit a volcano, which of the locations mentioned in the passage would you choose and why? Consider factors like safety, accessibility, and cultural attractions.
2. Discuss the potential risks and benefits of living near a volcano, using examples from the reading passage to support your points.
3. Compare and contrast the volcanic activity in Italy and Indonesia, including the historical significance of specific eruptions.
4. How do volcanoes impact the environment beyond the immediate vicinity of the eruption site? Provide examples of environmental effects mentioned in the passage.
