

Name _____

The Adventures of Sparky and Whiskers

Open-Ended Response Answer Key

1. Possible Answer: Sparky and Whiskers may have left the crystals untouched because they understood that the crystals belonged to the earth and wanted to respect nature.
2. Possible Answer: Sparky and Whiskers likely felt loved and relieved when they found the note from Emily, knowing that she cared for them and understood their need for adventure.
3. Possible Answer: Answers may vary, but some possible adventures could include exploring a mysterious forest, going on a treasure hunt, or even helping solve a mystery in their neighborhood.
4. Possible Answer: Sparky and Whiskers' secret adventure may have strengthened their bond as pets because they shared unique experiences together, built trust, and relied on each other during their escapades.
