

Name _____

Cowboys and Outlaws: Tales from the Wild West

Open-Ended Response Answer Key

1. Answers may vary. (e.g., My favorite part of the cowboy lifestyle would be riding horses and herding cattle because it sounds exciting, and I love animals.)
2. Answers may vary. (e.g., As a sheriff, I would start the day by patrolling the town, making sure everyone is safe, and resolving any disputes. I might face challenges like dealing with outlaws or calming down rowdy saloon patrons.)
3. Native American tribes like the Sioux and Apache adapted to the changing landscape by relying on their traditional knowledge of the land, hunting, and gathering resources.
4. The legends of cowboys and outlaws in the Wild West teach us about the adventurous and challenging times of that period in history, where individuals sought their fortunes and faced both risks and rewards on the frontier.
