

Name _____

The Willowbrook Way

Open-Ended Response Answer Key

1. Sarah wanted to meet her friends, Jake and Emily, by the old Willowbrook Cemetery. She was looking for adventure and excitement on that restless night.
2. The eerie atmosphere in the maze included shifting walls, ominous flickering flashlights, a damp and oppressive feeling in the air, and a sense that they were being watched. The maze had an unsettling and otherworldly quality.
3. They found an ancient altar with a cryptic inscription in the chamber. When they chanted the words aloud, the walls shook, and the ground collapsed, leading them to an underground river.
4. They ended up in a cavern deep below the town. This unexpected turn of events left them in an unfamiliar and challenging situation, far from the surface.
5. Possible challenges could include navigating the underground maze, solving puzzles related to the cryptic inscription, encountering supernatural entities or traps, and uncovering the secrets of the ancient evil that has been awakened. The specific challenges would depend on the direction of the story.
