## The Enchanted Snowman's Winter Mystery

### Open-Ended Response Answer Key

1. Lucy and Frosty decided to investigate the mysterious symbols because they wanted to solve the winter mystery and bring happiness back to Frostville. Their friendship and teamwork contributed to their success by helping them navigate challenges and work together to decipher clues.
2. Frosty's character traits, such as his sense of humor, quick thinking, and ability to sense mysteries, made him a helpful companion. His abilities enhanced the adventure by guiding Lucy and providing valuable insights.
3. The enchanted snowflakes likely worked their magic by releasing a warm and joyful energy when they melted, spreading happiness throughout Frostville. The symbols might have played a role in creating the town's chilly troubles, and their disappearance signaled the end of the mystery.
4. The winter festival symbolized the town's gratitude and joy by bringing people together in celebration. It was likely filled with music, games, delicious winter treats, and a sense of unity and warmth.
