

Name _____

The Quest for the Lost Mitten

Short Answer Key

1. When Sarah realized she had lost her mitten during the snowball fight, she informed her friends and ventured into the snowy wilderness to search for it.
2. When Sarah finally found her mitten beneath a snow-covered bush, she felt a surge of relief and happiness.
3. The snowy wilderness was described as breathtaking, with trees adorned in white and the ground sparkling like a field of diamonds.
4. Sarah's friends reacted by cheering and welcoming her back to the snowball fight with her found mitten.
5. The little quest for Sarah in the story was significant because it tested her determination and led her to a deeper appreciation of the snowy wilderness.
