## Treasures Beneath the Frozen Lake

### Short Answer Key

1. The friends initially noticed the hidden treasure beneath the frozen lake when they saw a faint glimmer of light beneath the ice.
2. The friends used their ice skates to carefully chip away at the ice and retrieve the gemstones.
3. The discovery of the hidden gemstones brought the friends a sense of accomplishment because they had successfully uncovered a hidden piece of their town's history, and it was a result of their teamwork and determination.
4. The townspeople were intrigued by the discovery and began researching the history of the lake to uncover the story behind the hidden gems.
