

Name _____

Wolves: Daily Habits and Behaviors

Short Answer Key

1. Wolves are crepuscular, meaning they are most active at dawn and dusk.
2. Wolves can be alpha leaders, beta enforcers, or omega peacekeepers.
3. Wolves mark their territory using scent marking.
4. Wolves teach pups by letting them observe and mimic hunting behaviors.
5. Wolves rest to conserve energy and travel long distances to find food and protect their territory.
