

Name _____

Women's Power

Open-Ended Response Answer Key

1. I would want to stand up to Abigail, but I might be too afraid because of the danger.
2. Abigail had power, but it was only because people believed her lies. True power should come from honesty.
3. The play shows that women in history were often treated unfairly, which still happens today in some places.
4. A modern example is when women fight for equal rights in jobs, education, and leadership positions.
