

Name _____

The Bumbling Spy: A World War II Caper

Short Answer Key

1. Charlie earned a reputation as the clumsiest janitor among the German officers.
2. Charlie accidentally revealed his presence by knocking over a mop bucket, creating a loud noise.
3. Charlie overheard a conversation about a secret weapon the Germans were developing.
4. Charlie and the friendly German soldier successfully smuggled the information out of the base by improvising and using clever tactics, although specific details are not provided in the story.
5. Charlie's clumsiness became an asset because it made him appear unremarkable and unthreatening, allowing him to gather intelligence without arousing suspicion.
